Treasurer's report as of Oct. 1st -Bank Bal. \$ 847.99
Thrift Acct. 50.73
Obligations 845.02

Report accepted on motion by Rev. Garner. The Executive Secretary's activities the past month have been in connection with the S.R.A., the Hospital Assoc. and the local Health Committee. Several workers have been assigned. The Vocational Survey will have its start in Essex County.

The time of the winner in the Road Race was 16 minutes for the three miles.

The Social Service Department now has a case load of 73. Much concern is felt due to the fact that there are so many married for unmarried Negro mothers a great many of whom are under 21 years of age.

The Executive Secretary suggested that since the work of the Urban League is not confined to Newark additional support from other communities should be sought. Propaganda might be circulated through printed matter, attractive circulars to clubs and other organizations, speakers from a speakers' Bureau set up by the League.

Dr. Parks made the suggestion that a committee be selected to follow out some of these ideas and followed this by a motion seconded by Rev. Garner that a committee of three be appointed to take the matter up with the Executive Secretary. Motion carried.

After some discussion on the situation involving the unmarried mother, motion was made by Rev. Garner that all data be collected and presented at the next meeting. Motion carried.
